

Imation Odyssey™

Removable Hard Disk Solution

The **Odyssey Removable Hard Disk Storage System** is designed to help small and medium size business to meet the escalating challenges of data protection by providing fast backup, accurate restores and full disaster recovery with minimal effort. The system is ideal for a wide range of data storage environments, including high-security storage applications, replacing tape for entry-level backup, or anywhere large volumes of data need to be stored quickly and securely and accessed rapidly.

Features & Benefits

Odyssey™ Removable Hard Disk Storage System – Consisted of a docking station and a removable hard disk cartridge.

Reliable & Durable – Odyssey cartridges are protected against both shock and static discharge.

Expandable & Flexible – The dock is compatible with existing 120GB, 160GB, 250GB, 320GB AND 500GB cartridges and future higher capacities providing infinite storage capability.

Floppy bay compatibility – The internal USB docking station will fit into a floppy disk bay allowing users to free other bays for optical drives or additional hard drives.

EMC® Retrospect® Backup Software – Features password protection and 256-bit AES encryption to help prevent unauthorized users from accessing data. In addition, multiclient functionality enables efficient backups of multiple computers through a networked workstation.

Speed and Convenience – With the added benefit of removability, the Odysseysystem minimizes the time needed for backup and restore operations while drag-n-drop file access makes moving data as easy as the click of a mouse.

Mobile solution – Imation's Odyssey Mobile USB Adapter is compact and portable, enabling mobile data exchange and access virtually anywhere.

Technical Specifications

DOCKING STATIONS External/Internal USB	
Host interface	USB 2.0 high speed up to 36MB/sec
Power	External universal power supply/Internal PC power
Dimensions External USB (LxWxH)	199mm x 133mm x 52mm (7.84" x 5.25" x 2.04") • Weight: 858 grams (1.89lbs)
Dimensions Internal USB (LxWxH)	151mm x 101.6mm x 25.4mm (5.94" x 4.0" x 1.0") • Weight: 385 grams (0.85lbs)
Operating Mode	Horizontal (Internal: Horizontal or vertical)
Warranty	Three years
MOBILE USB ADAPTER	
Host interface	USB 2.0 high speed up to 32MB/sec
Power	Permanently attached Y-cable: USB connector for data + power, second USB connector for additional power
Operating Life	5,000 insertions or removals
Dimensions (LxWxH)	75mm x 80mm x 32mm (2.9" x 3.15" x 1.26") • Weight: 81 grams (0.18 lbs)
Warranty	Two years

System Recommendations

	Windows	Linux	Mac
Operating System	Windows 2000 / 2000 Server / 2003 Server / XP / Vista	Linux 2.6 Kernel or higher	Mac OS X 10.3 or later
